## **LOAN CLOSET FOR SENIOR CITIZENS OF MACOMB COUNTY**

Senior Citizens of Macomb County age 60 and older are eligible to access our loan closet for small medical equipment, when available. This is a short term, temporary loan of medical equipment, usually 2-3 months (certain items are given away). Some of the equipment we have available includes; walkers, wheelchairs, crutches, canes, 4 prong canes, tub seat, etc.

We cannot loan this equipment to Nursing Homes, Agencies, Hospitals, etc. If the equipment is needed for an extended period of time or permanently, contact your physician to see if Medicare or other insurance will cover the cost to purchase such equipment.

All of the equipment in the loan closet has been donated to the department. If you are interested in borrowing from our loan closet, or if you have equipment to donate, please call us at 586-469-6317. An equipment use agreement form is filled out, signed, and dated by client, caregiver or family member.

All of the equipment in our loan closet has been donated to this department. Macomb County and the Department of Senior Citizen Services is not responsible for the condition of the equipment but would appreciate it being returned in like condition.
